

America's Jihad: Joining Humanity's *Struggle* with the *Far Left*, the *Far Right*, and other *Extremists* since 9/11 6:30 pm - 7:30 pm, Thursday, 21 April 2016 at the Marshall House

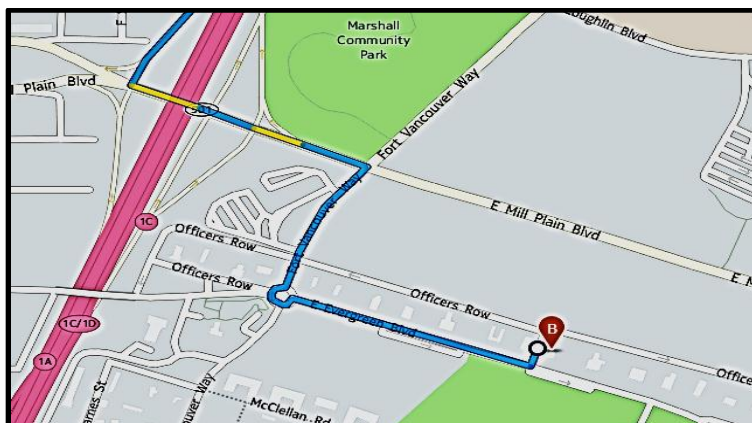

Sponsored by the Fort Vancouver National Trust
Presented by the Vancouver Barracks Military Association

Guest Speaker Chief Warrant Officer 3 (Retired) Dan Sockle, author of the new book, AMERICA'S "JIHAD".

The existence of the Islamic State (aka: ISIS/ISIL/DAESH) demonstrates particularly America's limited understanding of the cultures, religions and history of the billions of people in the world surrounding us. Dan Sockle will discuss current events and, more importantly, how we (and the world) got to this state of affairs. Be prepared for a discussion not just about Islam vs. Islamism, but of the geopolitics spanning from North Africa to the Far East, with particular focus on who is fighting whom and why. Tribalism is as much a part of American culture as those we regard as "Third World." In the words of Mark Twain, "It ain't what you don't know that gets you into trouble. It's what you know *for sure* – that just ain't so." Come join in the discussion.

The presentation will last about 60 minutes, from 6:30 PM to 7:30 PM at the Marshall House, on Officer's Row. This no admission fee. The Marshall House is located at, **1301 Officer's Row, Vancouver, WA 98661**. To get there from Interstate 5, take Exit 1c.
